Joining up nature across central Scotland

PROGRAMME

Joining up nature in practice – making ecological coherence a reality

Wednesday, 15 June 2016 - Battleby Conference Centre

To tweet about this event please use hashtag #ecocolife

0930-1000	Registration and refreshments	
1000-1005	Welcome and Introduction	Eileen Stuart, Scottish Natural Heritage (SNH)
1005-1030	Why landscape scale?	Jonathan Porter, International Association for Landscape Ecology (UK) (ialeUK)
1030-1055	Natural England's Nature Improvement Areas	Brian McDonald, Natural England
1055-1105	Q & A	Eileen Stuart, SNH
1105-1110	Introduction to case study session	Paul Sizeland, EcoCo SNH
1110-1130	Coffee	
Case study sessions - you will have already selected 3 case studies as indicated on your badge. Please see location overleaf.		
1130-1150	Case study session 1	
1150-1210	Case study session 2	
1210-1230	Case study session 3	
1230-1245	Case Study feedback	Eileen Stuart, SNH
1245-1330	Lunch	
1330-1350	Ecological coherence in practice - models, maps and matrices	Paul Sizeland, EcoCo Life Project/SNH
Workshop sessions - you will have already selected 2 workshops as indicated on your badge. Please see location overleaf.		
1355-1430	Workshop session 1	
1435-1510	Workshop session 2	
1515-1530	Workshop feedback	Eileen Stuart, SNH
1530-1540	Round up	Jonathan Porter, ialeUK
1540	Close	Eileen Stuart, SNH
1540-1630	Invitation to network over coffee if you wish	

Case Study descriptions

Please go to the 3 case studies as indicated on your badge in the location listed below:

1	Auditorium	The Carse of Stirling Project - this project demonstrated the application of the ecosystem approach to land use decision making'.	Neville Makan, SNH
2	Cherry Room	Modelling and mapping ecological network connectivity, coherence and resilience to inform decision making. (BEETLE/Somerset Ecology Network)	Darren Moseley, Forest Research
3	Holly Room	Edinburgh pollinator pledge - spatially targeted campaign to co-ordinate community action.	Ian Mackenzie, Scottish Wildlife Trust
4	Oak Room	Catchment scale restoration: improving physical condition and delivering natural flood management benefits to 5 catchments of Scotland.	Shona McConnell, SEPA
5	Auditorium	The Slamannan Bog Restoration Project in Scotland's central belt (EcoCo project).	Scott Shanks, Buglife
6	North Foyer (beside Holy Room)	The assessment of peatland integrity and water quality risk using earth observation technologies.	Amy Gove, Scottish Water
7	North Foyer (Reception end)	Targeting Atlantic Woodland Conservation – showcasing how GIS has been used to target conservation and develop projects.	Doug Shapley, RSPB Davie Black, Plantlife
8	Pine Room	Eddlestone Water Restoration Project – implementing natural flood management measures.	Hugh Chalmers, Tweed Forum

Workshop descriptions

Please go to the 2 workshops as indicated on your badge in the location listed below:

	Room	Workshop	Speaker	Facilitator
A	Cherry Room	Ecosystem Services (The benefits provided to humans by nature)	Professor Chris Spray, Centre for Water Law, Policy and Science, University of Dundee	Neville Makan (SNH)
B	Willow A/B Room	Habitat Networks (connectivity, addressing fragmentation, migration and dispersal)	Craig Macadam, Buglife	Alistair Whyte (SNH)
C	Holly Room	Mapping technology (management, data, visualisation, platforms)	Duncan Blake (SNH GIG)	Lachlan Renwick (SNH)
D	Oak Room	Involving people (stakeholders, land managers, user groups, community engagement)	Zoe Clelland, RSPB	Martin Faulkner (SNH)
E	Pine Room	Delivering for biodiversity (above and beyond connectivity)	Debbie Bassett (SNH)	Louise Bond (SEPA)
F	Juniper Room	Landscape programme management – (bringing it all together)	Brian McDonald (NE)	Paul Sizeland (SNH)

The second session of each workshop will build on the first.
